**MR. FEDERICO MANUEL RUANOVA GUINEA
AND/OR MARIO FACIO SALAZAR
LEGAL REPRESENTATIVE OF
BAJAGUA DE MÉXICO S. DE R.L. DE C.V.**

Dear Mr. Ruanova:

I hereby inform you that through official document No. BOO.02.01.02.-280 of this same date, Bajagua de México S. de R.L. de C.V. was granted a favorable resolution to use, exploit or enjoy in concession the national property called Arroyo Alamar, comprised of an area of 331,164.702 m² of federal land located from KM 0+545.46 to 2+892.36 of the aforementioned national property, in the Municipality of Tijuana, State of Baja California, for use in services, for a term of thirty years as of the date following the one when the resolution is notified.

In addition, please be advised that the resolution establishes the terms and conditions to which the concession must be subject, which is attached for your reference.

Also, we would like to express to you the viability of the project involving the construction of installations for the treatment of wastewater in the city of Tijuana, Baja California, under the framework of Minute 311 of the International Boundary and Water Commission. In addition, we express the great interest that the National Water Commission has in the execution of said project, provided all requirements, terms and conditions established by Mexican law are met, and particularly what is established in the concession resolution.

Please receive my warmest regards,

**SINCERELY
THE MANAGER**

FRANCISCO HUGO GUTIÉRREZ DÁVILA
